

# Agenda for Community Media Reform Monday, FEB 20, 7PM

part1  
KRCC

Would you like to urge Colorado College to listen to its faculty, students and community about what programs could be aired on KRCC 91.5 FM to foster a better-informed local community?

**at All Souls Unitarian Universalist Church, 730 N. Tejon**

Featuring a panel discussion with local news professionals and an open town-hall meeting to hear concerns from community members. This will be an opportunity for KRCC and Colorado College decision makers to join the debate about how to offer public input into the programming decisions at KRCC.

The evening will also include two video presentations before and after the forum.

Come let your voice be heard!

**Seize community radio now!**
